IoT Projects:

1. Smart Home Automation System
2. IoT-based Air Quality Monitoring
3. Smart Farming System
4. IoT Weather Station
5. Smart Water Management
6. Industrial Equipment Monitoring
7. IoT-based Garbage Monitoring
8. Smart Parking System
9. IoT-enabled Health Monitoring System
10. Smart Traffic Management System
11. Home Security System using IoT
12. IoT Smart Irrigation System
13. Vehicle Tracking System
14. Smart Energy Meter
15. Industrial Temperature Monitoring
16. IoT Fire Detection System
17. IoT-based Baby Monitoring System
18. Smart Street Lighting System
19. IoT-based Water Quality Monitoring
20. Smart Wearable Health Device
21. IoT Noise Monitoring System
22. Smart Office Automation
23. IoT-based Soil Moisture Monitoring
24. IoT-enabled Home Appliances Control
25. IoT-based Cold Storage Monitoring
26. Smart Dustbin with Alert System
27. IoT Elderly Fall Detection
28. Smart Bus Monitoring System
29. Smart Factory System
30. Smart Poultry Farm Monitoring
31. IoT-based Door Lock System
32. Industrial Motor Condition Monitoring
33. Smart Helmet for Accident Detection
34. Smart School Bell System
35. IoT Home Fire Alarm System

36. Smart Electricity Theft Detection
37. IoT-connected Smart Refrigerator
38. Smart Railway Track Monitoring
39. IoT-based Attendance System
40. Smart LPG Gas Leakage Detector
41. Smart Cold Chain Logistics
42. Smart Window Monitoring
43. Smart Parking Slot Finder
44. Smart City Infrastructure System
45. IoT-enabled Smart Classroom
46. Smart Vending Machine
47. Smart Fish Tank Monitoring
48. IoT Home Voice Assistant
49. Smart Construction Site Monitoring
50. IoT Disaster Alert System
51. Smart Solar Panel Cleaning System
52. IoT-based Warehouse Management
53. Smart Cycle Tracker
54. IoT Smart Waste Segregator
55. Smart Firefighting Drone Monitoring
56. IoT Smart Pollution Mask
57. Home Temperature Control System
58. Smart Vehicle Maintenance Alert
59. IoT-based Greenhouse Control
60. Smart Baggage Tracker
61. Smart Visitor Counter
62. Smart Pet Feeder System
63. IoT Smart Pill Reminder
64. Smart ATM Surveillance System
65. IoT-based Water Leakage Detector
66. Smart Vehicle Lock System
67. Smart LPG Booking and Monitoring
68. Smart Elevator Control System
69. Smart Inventory Tracker
70. Smart Mailbox Alert System
71. Smart Crop Health Monitoring
72. IoT-based Sleep Monitor

73. Smart Safety Vest for Workers
74. Smart Ticket Booking System
75. Smart Lab Equipment Monitoring
76. Smart Remote Control Fan
77. Smart Energy-saving Lighting
78. IoT Smart Animal Tracking
79. Smart Aquarium Monitoring System
80. IoT Food Quality Monitoring
81. Smart Home Smoke Detector
82. IoT Forest Fire Detection
83. IoT Smart Plant Monitoring
84. Smart Noise Level Controller
85. Smart Retail Inventory System
86. IoT Livestock Monitoring
87. Smart Thermostat System
88. IoT School Bus Safety System
89. Smart Dog Collar Tracker
90. Smart BMS for Battery Packs
91. Smart Factory Production Line
92. IoT Flood Alert System
93. IoT Smart Mask with Temperature Check
94. IoT-based Anti-theft Alarm
95. Smart Bridge Safety Monitoring
96. IoT-based Smart Trolley
97. IoT Smart Voting Machine
98. Smart Drowsiness Detection System
99. IoT Gym Equipment Tracker
100. Smart Agriculture Drone System
